

Time is running out . . . to take advantage of the generous Federal and Oregon State tax credits available if you purchase a new wood burning stove, fireplace, or pellet stove or insert! All purchases must be installed in your home by December 31, 2009 in order to qualify!

We have the largest selection that you're likely to find anywhere featuring brands that you know AND quality you can count on. We feature Lennox, Lopi, Regency, Hampton, Vermont Castings, Pacific Energy, Enviro, Kodiak, Bosca, Rika, Cumberland and more! What better way to spend the Holidays than enjoying the comfort of energy saving wood or pellet heat!
